### PROFILE

Hailing from a middle-class background, I am a dedicated professional deeply committed to hard work and excellence. My upbringing has ingrained in me a strong work ethic, emphasizing consistent delivery of high-quality results. I possess robust analytical and comprehension skills, enabling me to dissect complex issues and offer insightful solutions. Fueled by a fervent passion for excelling in my field, I strive to surpass my own expectations. In my professional journey, I aim to positively contribute to organizational growth and success while maintaining strong social adeptness in interactions with colleagues and clients.

### EXPERIENCE

#### National Cadet Crops (NCC)

##### Nepal

#### 2019 (100 days)

- **Discipline and Patriotism:** During my hundred days of training in Nepal's National Cadet Corps, I learned and internalized discipline while simultaneously developing a deep love and commitment to my nation.
- **Public Speaking Achievement:** Out of a group of five hundred participants, I achieved the remarkable feat of emerging as the winner in a public speaking competition, demonstrating my strong communication skills and ability to engage and inform others effectively.
- **Skills for Disaster Management:** My training equipped me with valuable skills related to disaster management, indicating my readiness to actively contribute to disaster relief efforts and crisis management.
- **Continuous Growth:** I emphasize that despite the challenges, I have never considered myself a beginner, indicating my ongoing growth and development in these areas.

#### Head Boy

##### Swastik Pathshala, Siraha, Nepal

#### 2019-2020

- **Leadership as Headboy:** I served as the headboy of Swastik Pathshala, leading with pride and representing the school with honor.
- **Two Years of Dedicated Service:** I dedicated two remarkable years to this role, demonstrating my commitment to the school and its mission.

#### Frontend Designer

#### 2022 - 2023

- **Frontend Development Expertise:** I excel in frontend development, specializing in creating modern, user-friendly websites.
- **Technical Proficiency:** I am proficient in key frontend technologies, including HTML, CSS, JavaScript, and responsive design.
